PRACTICE AREAS

- Alternative Dispute Resolution
- Condemnation and Eminent Domain
- Mediation
- Mediation for Separation and Divorce
- Natural Resources
- Real Estate and Real Property
- Water law
- Water Quality
- Water Rights and Resources

BIO:

Mr. King represents municipalities, special districts, utilities, irrigation entities, and developers across Utah on matters involving water law, real estate, infrastructure implementation, and public-sector governance. His practice integrates water rights, land use, real property access, and environmental compliance — reflecting more than twenty years of experience working at the intersection of these disciplines. Mr. King also holds a Master's in Dispute Resolution from Pepperdine University School of Law and has served as a trained mediator, bringing conflict-resolution skills to multi-party water and real estate matters.
